Southern Oregon **Mining Notes**

A few days ago J. Willis Hays of Gold Hill sold to Robert Spencer and associates of Boston his holdings at the head of Sams creek. The laims run a very good assay of cinabar, and were traced very definitely y Mr. Hays.

The discovery of tungsten mines bout one and one-half miles east of Sterling mines by Mr. and Mrs. Stevn Kromitz has been announced 6.48 They also located a 12-foot ledge of galena ore that holds gold, silver, 78.10 nickel, zinc and lead. Mrs. Kromitz 50.00 was formerly Mrs. Crews-Carlson of 4.10 Texas. The couple expect to open up their mines on the Missouri gulch .2982.00 just as soon as they find a company with money enough to handle their tungsten prospect.

Gold Hill News. Last week Joe Beeman reported the sale of a bunch of quicksilver claims known as the "73" group, located near the head of .. 322.00 Sams creek. The discovery was made by 'Bill' Hayes, one of the oldest miners in this section. R. H. Spencer and associates are the new owners 93.72 and have taken charge and are work-Total labor, material, etc \$3832.51 very good assay of cinnabar and will ing the property. The claims run a The following bills were continu-l relative to the Road Fund, to-no doubt add quite a little to the mineral wealth of this section

Little Vacation Talk

THE time for a vacation is now. Vacations to many mean more work and less comfort than any other time of the year. Let this year's vacation be different. Secure a real rest. Down at Newport you can rent a comfortable bungalow near the ocean and within sound of the roaring breakers. You will be agreeably surprised at the low cost and the real benefit to be derived from this kind of a vacation. Write for booklet "Newport" or ask your local agent for copy also information regarding low round trip fares.
